2023-2024 Satisfactory Academic Progress – Max Time Frame Appeal Form

Name: _____ Student ID: 900

Phone Number: _____ Student Email Address: _____@stu.sctech.edu

Indicate the semester for which you are submitting the appeal:

Fall 2023 Spring 2024 Summer 2024

Federal guidelines require that a student must graduate from his or her program before having attempted more than 150% (1.5 times) of the required number of credit hours to graduate. This includes all credit hours attempted whether they are completed, passed or accepted transfer credit. Failure to complete a program of study within the 150% maximum timeframe will result in suspension of financial aid eligibility. Students may appeal for an extension of eligibility if something beyond their control delayed them from doing so.

Example of Max Time Frame: Program of study is 40 credit hours; students must complete their program within a maximum of 60 credit hours (40 X 150% = 60).
