## A YEAR IN REVIEW

Fiscal Year 2024 at Southern Crescent Technical College can be defined by growth and dedication. While you review our 2024 Annual Report, I hope you will share in our excitement over our many accomplishments from the past year.

At Southern Crescent Technical College, our commitment to academic excellence, community engagement, and innovation continues to mold the lives of our students and contribute to the well-being of our entire college community. Southern Crescent Technical College is transforming lives through technical education.

Once again, we have experienced phenomenal growth during Fiscal Year 2024. Throughout this year, we have proudly upheld our commitment to the citizens in our eight-county service area to provide them with the necessary skills and knowledge to enter the workforce while assisting them as they pursue their educational, career, and personal goals.

Our faculty and staff have dedicated countless hours to our students, to the communities we serve, to our partners in business and industry, and to the consistently exceptional quality of the services we deliver. Moving forward, we are committed to providing exceptional workforce development opportunities as we continue to transform lives as we expand our services, programs, and opportunities through unique and innovative initiatives.

As we close another record year at Southern Crescent Technical College, I am inspired by the accomplishments and I am committed to reaching even greater heights as we move forward. On behalf of the faculty, staff, and 14,000 students served last year through our credit, adult education, economic development, and continuing education divisions at Southern Crescent Technical College, I thank you for assisting our students as they reach their career and personal goals. We have a bright future ahead and together, we will continue to make a meaningful impact.

Sincerely,

## BEST OF THE BEST
