Your 2021-2022 FAFSA application has been identified by the U.S. Department of Education for potentially containing conflicting information between your parent’s Marital Status and Tax Filing Status. Federal Regulations require that institutions verify the accuracy of this data and to resolve any conflicting information.

According to the IRS, a tax payer must use a tax filing status of married filing jointly or married filing separately if they are married or considered married on December 31, 2019. If you were “unmarried” or “considered unmarried” on December 31, 2019, the tax filing status is single, or if you have a qualifying dependent you may file as head of household.

Please Note:

- ❖ Based on the information provided on this form, the Office of Financial Aid will update the student’s 2021-2022 FAFSA accordingly.
